How To Use The Express Loop

The bus will travel on a set path and will stop at set locations.

The bus may go off route 1 - 2 blocks upon requests; however, these deviations are limited to keep the bus on schedule.

The bus will serve each stop once per hour. See schedule on the right. Times are approximate.

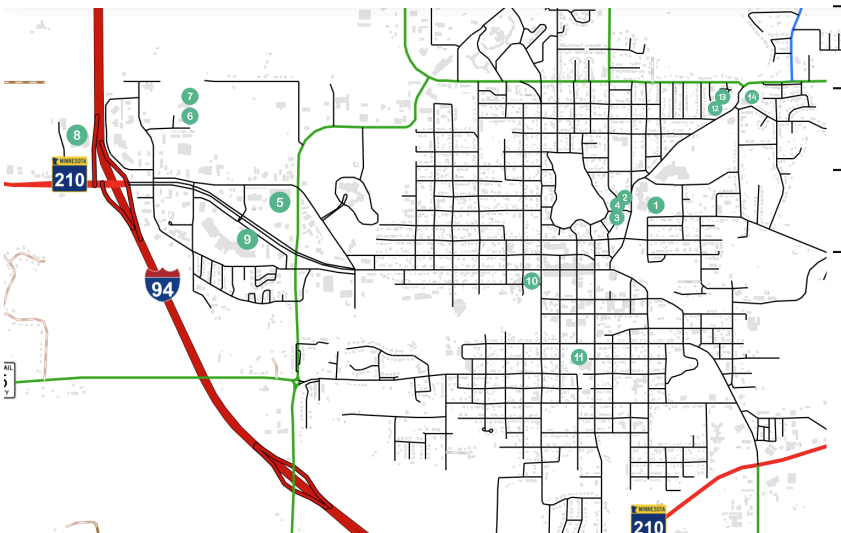

All rides are \$1.00 for anyone getting on the bus (children under 4 years old ride free).

Exact cash is required, no change is given. Fares must be paid when boarding, no exceptions.

Otter Express continues to operate an on demand service.

Please call or visit the website.
